The municipal servants of the District office are entitled to pension under Govt Pro ew $\frac{8959\cdot69}{L.7105\cdot95}$ of 31-1-99.

If the municipality is exempted from payment of contribution towards the cost of establishment in the District office no contribution is leviable on account of their pension. Springeri will then be on the same footing as Bangalore and other Cities making no contributions towards the cost of establishments in the Presidents offices. The Mtees in the French Rocks Sub Dn make no contribution

2. From enquiries made it is ascertained that no Draft Municipal Regulation is pending in the Leg. Branch & that one has to be prepared hereafter

From

Comptroller, Mysore Govt.

To

The Secretary to the Govt. of Mysore,

Sir,

I have the honor to state that as Sringeri was constituted into an independent Municipality both the Agent of the Mutt as its President, the latter submits his monthly accounts direct to this Office and not to the President of the Municipality Kadoor District for inclusion in his accounts. The Local Fund Establishment of the President Kadoor District being thus relieved of the Sringeri Municipality there appears no longer any Reason for the latter to bear any share of the Cost of either Maintaining or Contributing towards the pension of that Establishment

Therefore

May this also be submitted to the 1st Councillor with whom the ~~previous~~ ~~papers~~ quoted file is pending? Requisition sent to the Personal asst. here-had no effect.

Sir.

Adverting to your Circular no: 14163
L.R. 3-97
of the 23rd instant enquiring whether it is not a fact that the accounts of the Sringere Municipality are now being submitted to the Comptroller direct &c, I have the honor to state that since the nomination of the Agent of the Sree Mutt as the President of the Sringere Municipality as ordered in Government Proceedings no: 3607-9
L.R. 51-92
dated the 14th September 1899, the accounts of that Municipality are being submitted to the Comptroller direct and their periodical returns and statements ceased to be furnished to this Office.

2 Government in receiving the Municipal D. & B. Statement and the list of Municipal Meetings, took objection to the omission of particulars,

particulars regarding Srirangam municipality and directed in their official memorandum no: 2169 L.R. 142-96 dated the 16th August 1900 that necessary particulars of the Srirangam municipality should be obtained from its President for incorporation in the district returns.

3 The President of the Srirangam municipality, however, protested against the above order and requested the favor of issuing fresh orders defining the relations between himself as the President of that Municipality, and the Deputy Commissioner as the President of the Municipal Board in the Kadur district.

4. Government, in their order no: 12660-1 L.R. 32-99 dated the 27th March 1901, directed that the Deputy Commissioner as President of the district Municipal Board is to be considered as an adviser to the Srirangam municipality and that the heretofore returns and Statements of that municipality should be forwarded to Government through the Deputy Commissioner, and that all the particulars of the municipality should be incorporated in the consolidated

district

District returns Submitted to Government.

5. The Local Board's Establishment of the Deputy Commissioner's office is by virtue of the above order not relieved of the work of the Sanitaire municipality in as much as that all the Municipal work of Compilation of accounts and preparing Consolidated returns of that Municipality inter alia entails upon the Local Board Establishment of this Office to the same Extent as it was before the 14th September 1899.

6. The Comptroller seems to have recommended the discontinuance of levying the quota of contribution from the Sanitaire municipality towards the cost of maintaining the Establishment on the ground that the accounts of that Municipality were being Submitted to this office direct.

As per Government order no: 12660-1 of the 27th march 1901, the Local L.S. 32-99 Board's Establishment of the deputy commissioner's Office will have, in future, as it was prior to the 14th September 1899, to compile Periodical statements and to prepare consolidated returns of that municipality as well.
